Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner phoned Mr. David Maher on May 24, about correcting one legal term (means) in the abstract and adding labels to any boxes in the drawings. When we finally were able to get back in touch 6/8/06, it was decided the abstract would be corrected to replace means with probe, but the applicant strongly felt the boxes in the figures need not be labeled. Also one further minor correction was agreed upon, changing the dependance of claim 53 so the claim will now depend from claim 52 (rather than 51) correcting antecedent issues. .
